CHAPTER 8022. TANGLEWOOD FOREST LIMITED DISTRICT

SUBCHAPTER A. GENERAL PROVISIONS

Revised Law

Sec. 8022.0001. DEFINITION. In this chapter, "district" means the Tanglewood Forest Limited District. (Acts 74th Leg., R.S., Ch. 675, Sec. 1.)

Source Law

Sec. 1. In this Act, "district" means the Tanglewood Forest Municipal Utility District.

Revisor's Note

Section 1, Chapter 675, Acts of the 74th Legislature, Regular Session, 1995, refers to the "Tanglewood Forest Municipal Utility District." The revised law substitutes "Tanglewood Forest Limited District" to reflect a change in the district's name. In 1997, the district entered into a strategic partnership agreement with the City of Austin under Section 43.0751, Local Government Code. In the agreement, the parties specified that after the execution of the agreement the district would be known as the Tanglewood Forest Limited District. The revised law is drafted accordingly.

1 SUBCHAPTER B. FINANCIAL PROVISIONS

2 Revised Law

3 Sec. 8022.0051. USE OF GENERAL OPERATING FUNDS.

4 Notwithstanding Section 54.236, Water Code, the district may use  
5 general operating funds to install, operate, and maintain street or  
6 security lighting in an area in the district:

7 (1) that has had water utilities and streets installed  
8 for not less than eight years; and

9 (2) in which the developer of the area has not  
10 installed street or security lighting as required as a condition of  
11 the municipality's granting its consent to the creation of the  
12 district under Section 54.016, Water Code. (Acts 74th Leg., R.S.,  
13 Ch. 675, Sec. 2.)

14 Source Law

15 Sec. 2. Notwithstanding Section 54.236, Water  
16 Code, the district may use general operating funds to  
17 install, operate, and maintain street or security  
18 lighting in an area in the district:

19 (1) that has had water utilities and  
20 streets installed for not less than eight years; and

21 (2) in which the developer of the area has  
22 not installed street or security lighting as required  
23 as a condition to the municipality's granting its  
24 consent to the creation of the district under Section  
25 54.016, Water Code.

26 Revisor's Note

27 Section 2, Chapter 675, Acts of the 74th  
28 Legislature, Regular Session, 1995, refers to "a  
29 condition to the municipality's granting its consent."  
30 The revised law substitutes "a condition of the  
31 municipality's granting its consent" for the quoted  
32 language because the phrases are synonymous in context  
33 and "a condition of the municipality's granting its  
34 consent" is more consistent with modern usage.
